This is not a screwdriver

Felo is one of the world's leading manufacturers of screwdrivers »Made in Germany«. For more than 140 years, we have been developing and producing high-quality hand tools for professionals and ambitious Do-It-Yourselfers.

With promotional gifts and premiums from Felo, you set your good name in a favourable light, leaving a lasting impression refreshed with every use. It is a convincing token of your appreciation that the recipient is reminded of again and again.

Be inspired by our tools and the multiple possibilities of personalisation!

ERGONIC® –

A screwdriver like no other!

Here you see the most technically advanced screwdriver in the world: the patented ERGONIC from Felo.

The unique ERGONIC is equipped with the world's only handle with pressure sensitive pads, adjusting to the user's hand, providing exceptional ergonomics and comfort.

These screwdriver sets are essential equipment for everyday use.

Whether DIY-King, pro or old school nostalgic – Felo has the right set for every user.

First work, then play.

Open your after-work beer in style with Felo bottle openers (they can also open soft drink bottles!).

MAGAZINE HANDLES – compact all-rounders

Magazine screwdrivers are handy multi-talents for situations where the toolbox is not at hand or the way to the basement too far.

They carry their useful bit-equipment in the handle, accessibly stored and safely held in a magnetic & telescopic magazine.

Inserted into the bit holder at the end of the handle they convert the tool into an irreplaceable multiscrewdriver.

The different models with ratchet, exchangeable bit holder and long blade make this tool highly versatile and able to cover a wide range of uses.

Magazine-Handle with Bit Holder

Art.Nr.: 099 373 108 05

Magazine-handle screwdriver with exchangeable bit holder and 8 high-performance bits

3 x  0,6 x 4,5 | 1,0 x 5,5 | 1,2 x 6,5

2 x  PZ 1 | 2

With extra long blade

BIT-SETS –

The essence of screwdrivers

Even though bits are the most unspectacular of screwdriving tools, no cordless screwdriver can live up to its name without them.

These little metal pins contain the concentrated Felo expertise and Know-How in precise machining and optimal hardening.

Resulting in a perfect fit and legendary durability.

Felo bit sets all contain practice-orientated assortments of high-performance bits, packed in robust, user-friendly boxes.

R-GO XL/XS – compact screwdriver workshops

R-GO XL and R-GO 36 are fully equipped screwdriver workshops, ready to take on every challenge.

The sets come with all common recess types and sizes like Phillips (PH), Pozidrive (PZ), Slotted, Hex, hex socket and Torx®.

Central piece of each set is a ¼" ratchet with the patented Felo Ergonic handle. It is accompanied by very useful adapters, extensions and handles, as well as assortments of bits and sockets, leaving nothing to be desired.

XS tool sets impress by their pocket-size compactness. Grouped around the ingenious full metal angled mini ratchet are core assortments of bits and sockets for the most common applications.

R-GO XL tool box

Tools made to amaze – smart and E-smart

Exchangeable blade systems combine the best of the two screwdriving worlds of bits and screwdrivers.

Felo smart and E-smart are compact multi-talents full of innovation in every detail.

Their uncompromisingly high quality makes them tools for professionals, that once tried, you won't be able to do without again.

smart –

great versatility without compromises

Felo smart features exciting innovative details creating exceptional versatility.

The tough StrongBox carries an arsenal of 12 extra-long high-performance blades and a modern 2-component handle with a built-in adaptor. The blades are equipped with different tips on each side and the adaptor can be pulled out and locked in a 90° T-handle position.

The 12 blades therefore add up not only to 24 professional screwdrivers, but also the same number of T-handles.

smart exchangeable-blade tool set

Art.Nr.: 099 060 813 06

- 4 x  0,8 x 4,0 | 8,0 x 5,0
1,0 x 6,0 | 1,2 x 7,0
- 3 x  PH 1 | 2 | 3
- 3 x  PZ 1 | 2 | 3
- 4 x  3 | 4 | 5 | 6 mm
- 10 x  Torx® 6 | 7 | 8 | 9 | 10
Torx® 15 | 20 | 25 | 30 | 40

smart handle with fold-out adaptor.

E-smart –

VDE exchangeable blade screwdriver set

Certified according to the strict VDE standards, the Felo E-smart is an electrician's dream come true.

Together with the handle, the 12 insulated blades combine to a compact screwdriver set that covers all common tips and sizes – without compromises in safety or comfort.

A surprising extra feature is the rotating cap that converts every blade into a precision screwdriver.

Certified safety tool
